**DATE:** 11 NOVEMBER 2013

**RE:** **THE RE-REGISTERED QUALIFICATION GETC: MINING AND MINERALS PROCESSES (NLRD ID 58267) (NQF LEVEL 1)**

### **1. PURPOSE**

To inform the MQA stakeholders regarding the re-registered qualification, GETC mining and minerals processes (NLRD ID 58267) also known as "NQF level 1" that was discontinued as the qualification ended in 30-03-2012 and the last date for enrolment of learners was 30-06-2013

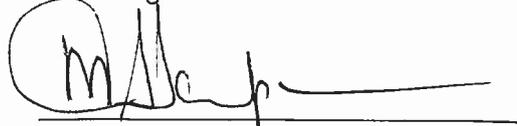

### **2. BACKGROUND**

The MQA was inundated with requests regarding the GETC mining and minerals processes (NLRD ID 58267 also known as NQF Level 1) to be re-registered as it was a need for learners that want to continue upwards in their careers in the Mining and Minerals Sector (MMS). The MQA also contacted the MMS stakeholders to enquire as whether the qualification GETC mining and minerals processes should be re-registered and the response was very positive to re-register the qualification. The Learning Programmes Committee debated this and decided that SAQA be approached to re-register the qualification.

### **3. DECISION**

This memo serves to inform MQA stakeholders that the GETC: mining and minerals processes (NLRD ID 58267) also known as NQF level 1 has been re-registered until the 30-06-2015 and therefore learners can be enrolled onto the qualification.
